

Name _____ **Vowel Diphthongs**

OI and OY

When two letters work together to make one vowel sound, the letter pair is called a diphthong. The diphthongs oi and oy make a sound similar to the sound in the following word:

poison	noise	poise
royal	loyal	soy

DIRECTIONS: Use the beginnings, middles, and ends below to build words with the diphthongs **au** and **aw**. Write your words on the lines.

Beginning	Middle	End	Write the Words
v	oi	l	_____
h		ce	_____
s		lt	_____
p		se	_____

Beginning	End	Write the Words
ann	oy	_____
all		_____
j		_____
