

Name _____ **Character Analysis**

Character Analysis

DIRECTIONS: Choose an important scene from the story that involves the main character. Briefly describe what is happening in this scene.

What personality traits of the main character are shown in this scene?

Is this scene inevitable in the story? Why? Relate your answer to the way the character has thought, spoken, and acted up until this point.

How does this scene end? Given what you know about the character, could it have ended differently? Why or why not?
