

Name _____

WHAT DO YOU SEE IN THE PICTURE?

“An inference is a conclusion reached on the basis of evidence and reasoning. It is an educated guess based on observation and background knowledge.”

Directions: Look at each picture below and make an inference about what you see.

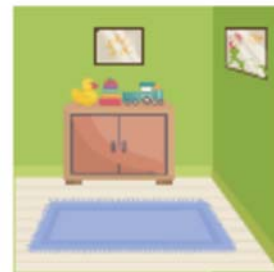

1

This picture represents a painting of a peaceful and scenic view, suggesting that the person who owns it enjoys nature and tranquility. It could be a decorative piece in a living room or bedroom to create a calm and relaxing atmosphere.

2

This room appears to be a child's playroom or a nursery. The presence of toys and bright, cheerful colors suggests it is designed for a young child to play and feel comfortable in. The pictures on the walls add to the playful and nurturing environment.

3

This picture likely represents an appreciation for nature and plants. It could be used as a piece of home decor to bring a touch of nature indoors. The blue background may suggest a calming effect, making it suitable for a space intended for relaxation or meditation.
