Pitcher - The player tasked with delivering the ball to initiate play and challenge the opposing team's offense.

Batter - The individual positioned to attempt hitting the ball to advance runners or reach base.

Inning - A segment of the game in which each team alternates between offense and defense.

Strikeout - The result of an offensive player failing to connect with three pitched balls within the strike zone.

Dugout - The designated area where team members not currently on the field rest and strategize.

Outfield - The portion of the playing field located beyond the infield, covering a larger, open area.

Home-run - A scoring play achieved by hitting the ball beyond the field's boundary or circling all bases without interruption.

Shortstop - A defensive position between second and third base, specializing in quick reactions and agility.

Curveball - A pitch that moves unexpectedly due to spin, designed to deceive the opposing team's offense.

Umpire - The official responsible for enforcing rules, making calls, and ensuring fair play during the game.
