Graveyard - An eerie location filled with headstones and the lingering sense of departed souls.

Castle - A historic structure often associated with ghostly legends and secret chambers.

Forest - A dense area of trees shrouded in darkness, amplifying feelings of mystery and isolation.

Crypt - An underground chamber used for burials, exuding a chilling atmosphere of the unknown.

Dungeon - A shadowy, confined area used historically for imprisonment, often linked to tales of suffering.

Mansion - A sprawling, elegant home that becomes unsettling when abandoned or filled with unexplained occurrences.

Swamp - A murky, wetland area shrouded in mist, often rumored to harbor supernatural entities.

Basement - The lowest level of a building, notorious for its dark corners and unsettling silence.

Attic - The uppermost part of a structure, filled with forgotten items and an air of mystery.

Chapel - A small place of worship that takes on an ominous aura when abandoned or in disrepair.
