

Name _____

Language of Friendship

Open-Ended Response Questions

1. How did the children's determination and creativity enable them to overcome the initial language barrier and enjoy their adventure on the mysterious island?
2. In what ways did the children's experience on the island change their perspectives on communication and friendship?
3. How can the lessons learned by Mia, Luca, Amina, and Noah on the island be applied to real-life situations where language differences may be a challenge?
4. Can you think of other ways people can communicate and build connections even when they don't share a common language?
