

Name \_\_\_\_\_

## Magical Beasts

### Short Answer Key

1. Fluffy guards the trapdoor leading to the Sorcerer's Stone and only falls asleep when music is played.
2. Firenze's warning suggests that dark events are coming and that Harry has an important role to play.
3. Hagrid loves magical creatures because he sees their unique qualities, even when they are dangerous.
4. The centaurs speak in riddles and predict the future, making readers wonder about hidden mysteries in the story.
5. Harry learns that mythical creatures can be both dangerous and helpful, and that understanding them is important.
