

Name _____

Fearful Mind

Short Answer Key

1. He believes it is always watching him and has some kind of power over him.
2. It makes him obsess over the eye and plan the old man's murder, thinking it will free him.
3. He thinks he hears the old man's heart still beating beneath the floor.
4. He believes he has hidden all the evidence and is too clever to get caught.
5. His paranoia makes him think the police can hear the heartbeat, so he confesses in a panic.
