

Name _____

Trials of Oz

Short Answer Key

1. Dorothy faces uncertainty, self-doubt, and obstacles, just like people do in real life.
2. The Scarecrow believes he is not smart because he has no brain, but he proves his intelligence by solving problems along the way.
3. The Tin Woodman thinks he has no heart, but he is kind and caring, showing that emotions are more than just physical things.
4. The Wicked Witch creates challenges that test Dorothy's courage and determination, much like real-life obstacles.
5. Dorothy learns that she did not need the Wizard's magic—she already had what she needed inside her.
