

Name _____

Silent Strength

Open-Ended Response Answer Key

1. If the female characters had more control, they might have been able to change the story's tragic events.
2. Some might say Elizabeth should have left Victor because he ignored her, while others might say she was just being loyal.
3. Justine's story shows that sometimes people are punished unfairly, and justice does not always work as it should.
4. The novel makes us think about how women have been treated in history and how important it is to have equality today.
