## School Day Fun

### Open-Ended Response Answer Key

1. Answers will vary. Example: "I would bring a monkey because it would be funny to see it swing around the classroom and help with science experiments."
2. Answers will vary. Example: "The mouse would probably start his homework but then get distracted and want to do something fun instead."
3. Answers will vary. Example: "I relate to recess the most because I love running and playing with my friends just like the mouse does."
4. Answers will vary. Example: "I think the mouse would love an art club because he likes to draw and create things."
