## Antony's Rise

### Open-Ended Response Answer Key

1. Some may say Antony was a good leader because he knew how to unite people, while others may argue that he became too focused on power.
2. Antony's rise shows that power can change people, making them more strategic or even ruthless.
3. Answers will vary, but students should explain whether Antony's words would have convinced them.
4. Antony's ability to turn the people against Brutus with words shows that speeches and persuasion can change history.
