

Name _____

The Last Hope

Open-Ended Response Answer Key

1. I would plant the seed because it is the last chance to bring back the trees and help restore the environment.
2. The Once-ler's story shows the boy that one person's actions can have a big impact, whether good or bad.
3. The boy might succeed if he cares for the tree and gets others to help protect it, but it will take a long time to bring back the forest.
4. People today can learn from The Lorax by planting trees, reducing pollution, and making better choices to protect nature.
