

Name _____

Wisdom vs. Wonder

Open-Ended Response Answer Key

(Answers may vary; examples provided.)

1. Some might say yes, because Baba knew better, while others might say no, because Nicki needed to learn for himself.
2. Many people ignore advice, like staying up too late before an exam, but they learn from the experience.
3. Nicki might be shocked or excited to hear about the mitten's adventure, or he might not believe Baba at all.
4. Wisdom helps people avoid mistakes, but curiosity helps people learn new things. Both are important in life, such as when learning a new skill or solving a problem.
