

Name _____

Unintended Consequences

Open-Ended Response Answer Key

1. Answers will vary, but students should explain their reasoning, considering the risks of unintended consequences.
2. The story may make readers feel cautious about making wishes without thinking about the possible outcomes.
3. Some may argue they deserved it for ignoring warnings, while others may believe they were simply unlucky.
4. The story suggests that humans cannot truly control their fate, as their wishes only made things worse.
