

Name _____

Cinco de Mayo Secret Mission

Open-Ended Response Answer Key

1. General Gringo was the skeptical Union Army general who agreed to the mission. Maria Gonzales was the clever Mexican-American spy who uncovered the Confederate plot. Juan Carlos was the daring mariachi musician who led the band and played a crucial role. Abigail Jenkins was the resourceful nurse who provided cover and support. Captain Beauregard was the charismatic Confederate leader who posed a threat and ultimately played a vital role in the mission's success.
2. The group managed to distract the Confederate soldiers during the Battle of Puebla by performing as a mariachi band, capturing the soldiers' attention and diverting it away from the Union supplies.
3. Cinco de Mayo became a significant part of American history in the story because it played a crucial role in the outcome of the Civil War. The secret mission's success on that day ensured that Union supplies reached the front lines, which turned the tide of the war.
4. The characters in the story demonstrated qualities such as courage, cleverness, resourcefulness, and teamwork. They used their skills to overcome obstacles and contribute to the mission's success, making them heroes in this historical fiction tale.
