Name _____

No Room

Short Answer

1. How does the original version of The Mitten show the benefits of sharing?

2. Why would the story be less exciting if only one animal used the mitten?

3. What lesson might the story teach if the mole had kept the mitten to himself?

4. How does working together in the mitten help the animals survive the cold?

5. How do the different animals in the mitten show that cooperation can work even among very different creatures?
