Frosty's Friendship Adventure

Short Answer Key

1. Frosty had a big, round belly, a carrot for a nose, and the ability to come to life and spread joy.
2. Frosty and Sally made Mr. Grumpy laugh by sending a snowball flying through his window, which surprised him and made him burst into laughter.
3. Frosty made magical snowflake cookies that sparkled and twinkled, which delighted the Candy family and helped them become less shy.
4. Answers may vary, but a creative way for them to continue their adventures could involve organizing a winter carnival or helping other lonely individuals in Snowville find friends.
5. Sally learned from her experience with Frosty that the magic of friendship and a sense of belonging come from being open, kind, and taking the initiative to connect with others.
