

Name _____

Fangs and Fur

Short Answer Key

1. The werewolves believe vampires are naturally dangerous and might harm humans.
2. Bella refuses to see either group as completely bad and cares about both Jacob and Edward.
3. The werewolves assume all vampires are evil, and some vampires believe werewolves are lesser beings.
4. They both love Bella and are forced to work together to protect her.
5. The novel teaches that people should not judge others without knowing them.
