

Name _____ **Making Predictions**

Making Predictions

Connecting what you already know with what you are reading helps you to make predictions about what is going to happen in a text. Confirming and/or revising your predictions as you read helps you to remember what you have learned while reading.

Name of Text: _____

Look at the text. What assumptions and questions do you have before reading?

What predictions do you make about what will happen in the text?

I predict that _____

I also predict that _____

How accurate were your predictions? Explain.
