

Conjunctions

Conjunctions connect words in a sentence. They also connect independent clauses to form a single sentence. When conjunctions are used, the result is a compound structure. A comma is used before the conjunction to separate the clauses. The most common conjunctions are:

and or but yet for

DIRECTIONS: Circle the conjunction in each sentence.

1. Titra practices, but she still doesn't play well.
2. I ate an apple, and I drank some juice.
3. I crossed the finish line first, yet I did not win the race.
4. Hurry, for there is much to do.
5. I can pick you up, or you can take the bus.
6. We can have potatoes, or we can have rice.
7. I go to bed early, and I sleep well.
8. Sometimes my alarm sounds, but I don't hear it.
