

Name \_\_\_\_\_ **Compound Sentences**

# Compound to Simple

Rewrite each compound sentence as two simple sentences.

1. Ian went to the fair, and he won a goldfish.

---

---

2. He took the goldfish, but he didn't really want it.

---

---

3. Ian's brother wanted the fish, so Ian gave it to him.

---

---

4. Ian's brother was happy, yet their mother was not.

---

---

5. Their mother didn't want a fish, nor did their father want it.

---

---
