

Name _____

Fluffy the Cloud

Once upon a time, there was a fluffy cloud named Fluffy. Fluffy was a happy cloud who loved to float in the sunny sky. One day, Fluffy met a tiny bird

named Chirpy. Chirpy was very curious about the world. They became best friends and decided to go on a silly adventure.

First, they flew over a wavy ocean where they saw a shiny dolphin jumping high. Fluffy and Chirpy laughed at the dolphin's funny tricks.

Next, they visited a grassy meadow full of busy bees and pretty flowers. Fluffy felt so lucky to see all the beauty around.

Suddenly, the sky became cloudy and a stormy wind started to blow. Fluffy and Chirpy found a cozy cave to stay dry. Inside the cave, they found sparkly rocks and a friendly bat named Batty. Batty showed them how to make yummy fruit smoothies from the berries in the cave.

After the storm passed, the sky turned back to being clear and blue. Fluffy, Chirpy, and Batty came out of the cave and saw a beautiful rainbow. They danced happily under the rainbow, feeling very lucky to have such wonderful friends and a fun adventure.
