## The Adventure of Captain Jay

Once upon a time, in a land far away, there lived a brave pirate named Captain Jay. Captain Jay loved to sail the big, blue sea.

One day, he found a shiny, golden map. The map showed the way to a hidden bay where treasures lay.

Captain Jay called his crew and said, "Today, we will find the treasure!" The crew cheered, "Hooray!" They sailed all day and night until they reached the bay. When they arrived, they saw rays of sunshine lighting up the way.

On the beach, they found clay pots filled with coins. Captain Jay and his crew were happy. They played and danced all day, celebrating their find.

As the sun began to set, they packed their treasure and sailed away, ready for a new adventure another day.
