

Name _____

The 100th Day Mayhem

Open-Ended Response Answer Key

1. Timmy initially felt confused and alarmed by the changes in his world. However, as the day progressed, he adapted to the new environment and learned to appreciate the humor and uniqueness of the situation.
2. The story teaches us that sometimes unexpected and unusual situations can lead to fun and memorable experiences. It encourages us to adapt, find humor in challenging circumstances, and make the most of them.
3. Answers may vary. Some possible responses could include exploring the transformed world, seeking help from family and friends, or trying to find a way to reverse the changes.
