## Sparky's Diwali Adventure

### Open-Ended Response Answer Key

1. Sparky's adventure in the night sky involved joining a group of sparklers, creating bright arcs of red and yellow sparks, and eventually teaming up with Rocky the rocket to shoot into the sky, creating a beautiful display of colors before gently descending back to Earth.
2. The people below cheered and clapped with joy when Sparky and Rocky created a dazzling display in the night sky.
3. Sparky felt content because he had experienced an incredible adventure and had become a part of the Diwali celebrations, bringing happiness to others.
4. Sparky's appearance changed back to being wrapped in bright red paper when he returned to the shop.
