

Name _____

Earth Day Adventure: Guardians of Nature

Open-Ended Response Answer Key

1. Answers may vary but should reflect an understanding that the Nature Guardians needed the children's help because they were struggling to keep up with the pollution and damage caused by humans, and they needed assistance to protect their environment.
2. Answers may vary but should reflect an understanding that the children's actions on Earth Day positively impacted their town by creating a beautiful forest and promoting environmental awareness.
3. Answers may vary, but students could relate the story to local cleanup efforts, conservation projects, or Earth Day celebrations in their own community.
4. Answers may include actions like reducing waste, conserving water, recycling, planting trees, and participating in cleanup events to help protect the environment.
