## Time-Travelling Pen Pals

### Open-Ended Response Answer Key

1. Emily and Alex decided to explore the old, abandoned treehouse because they loved having adventures and looking for hidden treasures. It was a way for them to bond and have fun together.
2. Answers may vary. Some students may say they would use it to get help with their homework, while others might use it to communicate with a friend or family member who lives far away.
3. One possible lesson Emily and Alex learned is the importance of friendship and how it can inspire and change lives. They also learned to embrace their passions and pursue their dreams.
4. Answers will vary based on individual experiences and perspectives. Some students may mention wanting to advise their younger selves to work hard in school, be kind to others, or pursue their interests.
