

Name _____

The Hidden Treasure of the Tribal Map

Open-Ended Response Answer Key

1. Maya was drawn to explore the rainforest and discover the hidden treasure because she was curious about the world beyond her village and wanted to uncover its secrets.
2. Maya's grandmother played the role of a wise elder who could decipher the map and provide guidance based on their tribe's ancient knowledge.
3. One challenge they faced was navigating through thick undergrowth, treacherous rivers, and encounters with wild animals. They overcame these challenges through determination and by seeking help and wisdom from Indigenous elders they met on the journey.
4. The precious artifacts represented the history and culture of their tribe and their ancestors' way of life.
