

Name _____

The Amazing Life of Cleopatra

Open-Ended Response Answer Key

1. Cleopatra used her charm and charisma to win over powerful leaders like Julius Caesar and Mark Antony. She formed alliances with them and used their support to further her own goals and those of Egypt.
2. Cleopatra is considered a symbol of strong and clever women in history because she was a powerful ruler who navigated the complexities of politics and used her intelligence and charm to protect the interests of her country.
3. Cleopatra played a significant role in the politics of the Roman Empire by forming alliances with Roman leaders and trying to maintain Egypt's independence while dealing with the Roman Republic.
4. Cleopatra's relationships with Julius Caesar and Mark Antony had both personal and political consequences. They led to conflicts in Rome and influenced the history of Egypt. Her children with these leaders also played a role in the power struggles of the time.
