

Name _____

The Great Lunch Swap

Open-Ended Response Answer Key

1. The students found the lunch swap exciting and fun because it allowed them to try new and different foods from around the world, and it created a sense of adventure and cultural exploration.
2. Sharing their swapped lunches allowed the students to taste dishes from different countries, sparking conversations about their origins and traditions. It promoted cultural exchange and understanding.
3. Mrs. Johnson smiled because she saw the students embracing diversity and unity by sharing their lunches. She likely felt proud of the students for turning a simple mistake into a positive and enriching experience.
4. The students learned that sharing food and exploring different cultures can bring people closer together and create a sense of unity and friendship. They discovered the value of diversity and the joy of trying new things.
