

Name _____

The Enchanted Forest Friends

Open-Ended Response Answer Key

1. Answers may vary. Example answer: Benny wanted to share the treasure because he realized that sharing with others can bring joy and happiness to everyone in the forest. It's always better to spread happiness and help others.
2. Answers may vary. Example answer: Luna's nimble paws, Ricky's cunning, Ollie's wisdom, and Benny's boundless energy all played a crucial role in helping them overcome various obstacles during their adventure. They worked together and used their unique talents to solve problems.
3. Answers may vary. Example answer: Finding the hidden treasure was exciting, but the most important part of the adventure was the friendship and teamwork that grew among Benny and his friends. They learned valuable life lessons along the way, and that made the journey more meaningful.
4. Answers may vary. Example answer: Some students might say they would love to go on such an adventure to find treasure and have fun with their friends, while others might prefer to stay in the comfort of their home in the forest.
