Turtle Race

Toby the turtle loved racing his friends. "Ready, set, go!" shouted Lily the frog as Toby raced against speedy Finn the fox. Finn zoomed ahead, but Toby had a secret plan. Along the path, Toby spotted a shiny puddle and slid across it like a skateboard. "Wheee!" he laughed, passing Finn. Next, he crawled under a log to take a shortcut. When Toby reached the finish line, everyone cheered. "Toby wins!" Lily announced. Finn laughed, "You're not just slow-you're clever!" Toby grinned proudly. "Turtle power!"
