

Name _____

Survival Changes

Open-Ended Response Answer Key

(Answers will vary, but here are some possible responses.)

1. Brian might be more independent and appreciate the small comforts of life. He might also trust himself more in difficult situations.
2. Making fire is one of the most important skills because it keeps him warm, protects him, and helps him cook food.
3. Answers will vary. Some may say they would have built a shelter first, searched for food differently, or tried to signal for help earlier.
4. He faces challenges that force him to rely on himself. Each time he overcomes an obstacle, he gains confidence in his abilities.
