

Name _____

Circular Fun

Open-Ended Response Answer Key

1. I would change the ending by making Mouse decide he wants to be the teacher for the day, causing even more chaos!
2. Stories with repeating patterns are fun because they help readers predict what's next while still enjoying surprises.
3. The boy seems patient but probably also tired by the end! He keeps helping Mouse even though Mouse keeps making things more complicated.
4. If Mouse stayed at school longer, he might want to try recess, then need a ball, then want to start a game, leading to another adventure!
