

Name _____

Dangerous Ambition

Open-Ended Response Answer Key

(Responses may vary, but here are sample answers.)

1. Macbeth was once a good man, but his choices and his ambition led him down a dark path.
2. A wiser choice would have been to wait and see if the prophecy came true naturally rather than forcing it.
3. The witches trick Macbeth by using words that sound impossible but have hidden meanings, showing that not everything we hear can be trusted.
4. Macbeth's downfall shows that making decisions based on greed often leads to negative consequences, while good choices bring better results.
