

Name _____

The Tree's Tricky Revenge

Open-Ended Response Answer Key

1. Answers may vary. Possible feelings include disappointment or frustration. The lesson learned could be about respecting nature and not harming living things.
2. Answers may vary. Some may think it was fair, while others may think it was a bit sneaky. It depends on the perspective.
3. Answers may vary. Some may want to be the distraction, while others may want to hide the tools or provide humor like Grumpy the Owl.
4. Answers may vary. Some children might find other ways to appreciate nature without harming it, while others might become more respectful of trees and wildlife.
