Dad's Day Off: A Comedy of Errors

Open-Ended Response Answer Key

1. Mark's willingness to help others reflects his character as a caring father and friend. He prioritizes supporting those around him, even if it means facing unexpected challenges, which strengthens his relationships and makes him a dependable and fun-loving dad.
2. Answers will vary, but students might share their own experiences of unexpected challenges and how they reacted to them, highlighting the importance of humor and adaptability in such situations.
3. Mark's attitude toward the challenges contributed to his overall sense of humor and perspective on parenting by allowing him to find joy and laughter in unexpected situations, ultimately making him a positive role model for his child.
4. Emma likely learned from her dad's experiences that challenges can be funny and that it's important to maintain a sense of humor. These shared experiences might have strengthened their bond by creating opportunities for laughter and connection.
