## The Great Book Swap

### Open-Ended Response Answer Key

1. One humorous situation was when Dorothy tried to use her ruby slippers to get back to Kansas but ended up shrinking instead. She had to navigate the oversized world of Wonderland, leading to funny and confusing encounters.
2. The characters were initially confused and out of place, but they adapted by using their unique abilities and skills to navigate their new worlds. They learned to cooperate and solve problems together.
3. One alternative could have been finding a magical item or artifact in their new worlds that had the power to transport them back to their own stories.
4. The characters returned to their original stories, causing the library to return to its normal state, with the books back on their shelves.
