

Name _____

Rebels of Thanks-Giving

Open-Ended Response Answer Key

1. Answers will vary but may include roles such as painting posters, organizing community events, spreading the message of Thanksgiving, or providing assistance to those in need. The choice of role would depend on the individual's skills and strengths.
2. The Black Friday regime might have felt threatened and tried to regain control by increasing security, spreading propaganda, or imposing stricter rules. They may have seen the rebels as a challenge to their authority.
3. The message of gratitude, family, and togetherness resonated with shoppers because it tapped into their desire for meaningful connections and traditions. It reminded them of the importance of spending time with loved ones and expressing gratitude.
4. Answers will vary, but a poster might say, "Thanksgiving: A Time to Give Thanks, Share with Family, and Spread Kindness." This message would serve as a reminder of the holiday's true meaning and inspire people to prioritize gratitude, family, and acts of kindness.
