## TimeTalk: Conversations Across Eras

### Open-Ended Response Questions

1. Why do you think Dr. Amelia Sparks and her team decided to create the TimeTalker device? What do you think they hoped to achieve?
2. In what ways did the conversations with historical figures like Dr. Martin Luther King Jr. and Harriet Tubman impact the team and the world around them?
3. How did the TimeTalker symbolize unity, diversity, and learning from the past? Provide examples from the story.
4. What do you think it means to "create a brighter future together" as mentioned in the story's conclusion? How can the lessons learned from the TimeTalker be applied to real life?
