

Name _____

Nature's Challenge

Open-Ended Response Answer Key

(Answers will vary, but here are some possible responses.)

1. The setting forces Brian to adapt, grow, and learn survival skills.
2. Some students may say they would find water first, while others might focus on shelter or food.
3. Facing storms, wild animals, and hunger teaches Brian to be patient and strong.
4. Brian will likely remember how he learned to survive and how nature became his teacher.
