

Name _____

Choice or Chance?

Open-Ended Response Answer Key

1. Some students may argue the curse was real because of the bad luck, while others may say it was just bad coincidences.
2. He chooses to help Zero, search for water, and stand up for himself, which leads to positive changes in his life.
3. If Stanley had never helped Zero, he might not have broken the curse or escaped Camp Green Lake.
4. Some students may believe in fate, while others may believe people create their own success through effort and decisions.
