

Name _____

No Room

Open-Ended Response Answer Key

(Answers may vary; examples provided.)

1. Some students might say yes, because sharing helps everyone, while others might say no, because they wouldn't want to be squished.
2. Sharing snacks, toys, or seats in a classroom can make experiences more fun, just like sharing the mitten made an adventure.
3. People must decide whether to share food, space, or ideas in places like school, work, and home.
4. Nicki might have been shocked, amazed, or even laughed at the sight of animals stuffed inside his mitten.
