## Columbus Confusion on the Cruise

### Open-Ended Response Answer Key

1. Answers may vary. Some might say they would feel embarrassed but would quickly approach the ship's staff to rectify the situation. Others might share how they would use humor to diffuse the situation and make light of the mix-up.
2. Yes, having a sense of humor and being able to laugh at oneself can be important because it helps alleviate stress, builds resilience, and makes challenging situations more manageable. It also allows us to connect with others through shared laughter.
3. Answers may vary. Some advice might include finding creative ways to make history relatable, using humor to engage the audience, and being open to unexpected experiences and learning from them.
4. Dave's accidental adventure might make him more cautious and double-check his plans in the future. He might also continue to use humor as a way to engage others in historical reenactments and share his unique experience as part of his storytelling.
