

Name _____

John F. Kennedy: A Legacy of Inspiration

Short Answer Key

1. John F. Kennedy was born into the wealthy and politically influential Kennedy dynasty in Brookline, Massachusetts. He joined the U.S. Navy during World War II, where he demonstrated courage and leadership when his patrol boat was attacked by the Japanese.
2. The Cuban Missile Crisis was a significant moment during John F. Kennedy's presidency when the world faced the threat of nuclear war. Kennedy's diplomatic approach and negotiation with the Soviet Union helped avert a catastrophic conflict.
3. The Apollo program was initiated during JFK's presidency to explore space and culminated in the moon landing in 1969, marking a historic achievement in space exploration.
4. John F. Kennedy's support for civil rights had a profound impact on the United States, as he advocated for civil rights legislation to end racial segregation and discrimination. However, he faced opposition and challenges in advancing this legislation.
