

Name _____

TimeTalk: Conversations Across Eras

Open-Ended Response Answer Key

1. Dr. Amelia Sparks and her team likely created the TimeTalker device to bridge the gap between the past and the present, learn from the wisdom of historical figures, and promote unity, diversity, and understanding in the world.
2. The conversations with historical figures like Dr. Martin Luther King Jr. and Harriet Tubman impacted the team by inspiring them with courage, wisdom, and the importance of fighting for justice. In the world, it inspired people to reflect on the lessons of the past and work towards a better future.
3. The TimeTalker symbolized unity by bringing people together to learn from the past, diversity by connecting with figures from different backgrounds, and learning from the past by sharing the wisdom and perspectives of influential leaders.
4. "Creating a brighter future together" means that people can work together to make positive changes in the world, drawing inspiration from the lessons learned through the TimeTalker. This can be applied to real life by promoting unity, diversity, and understanding among individuals and communities.
