Name _____

The Time-Traveling Library Adventure

Short Answer

1. How did the time-traveling library work, and what could students experience when they entered it?

2. Describe one adventure or time period that a student explored using the time-traveling library.

3. What did Professor Quirk, the science teacher, use the library for, and what time period did he visit?

4. How did Lucy combine history with humor to win the contest?

5. What do you think the students learned from their adventures in the time-traveling library?
