

Name _____

The Quest for Purpose

Short Answer Key

1. Maya decides to join Mr. Patel on his travels as an apprentice because she felt a deep connection to his music and wanted to learn from him.
2. Maya's journey with Mr. Patel changes her perspective by helping her realize that her true purpose is not just playing music but using it as a means to bring joy and comfort to others. She learns the power of music to connect people and make a positive impact.
3. The "Harmony Travelers" represent Maya and Mr. Patel's shared purpose of spreading music and unity through their travels, bringing people together through their performances.
4. Maya's music impacts the people they meet during their travels by bringing them joy, comfort, and a sense of unity. It uplifts their spirits and creates a sense of connection among communities.
5. Responses vary based on personal opinion.
