

Name _____

A Nurse's Dedication

Short Answer Key

1. Some of the challenges Sarah faced as a nurse during wartime included long hours, crowded hospitals, limited resources, and dealing with the emotional toll of war.
2. Sarah provided emotional support to the soldiers by sitting by their bedsides, listening to their stories, and offering a reassuring hand.
3. Sarah found it inspiring that some of the soldiers she cared for recovered from their injuries and showed resilience in their determination to overcome their challenges.
4. After the war, Sarah focused on providing healthcare support for veterans.
5. Healthcare support for veterans is important because it ensures that those who have sacrificed for their country receive the necessary medical care and assistance to address physical and mental health issues.
